

Welcome to the Orthodontic Office of Dr. Kate Lembck

Our practice is here to provide our patients with the best possible orthodontic treatment, but our patients are also our friends. If you would, please answer the questions below so that we may get to know a little more about you:

What name (or nickname) do you like to be called by?

What kind of music do you like, and who are your favorite performers or groups?

What types of books or movies do you like?

What type of sports do you like?

Do you have any pets? If so, what kind?

What are your hobbies and what type of things do you like to collect?

Please list the names of any of your friends or relatives who come to our office?
